The charts and tables below provide a snapshot of the responses to the IBC Service Survey.

During this reporting period, 187 investigators received an invitation to complete a survey to assess their interaction and experience with the IBC. The invitation was sent to investigators who received approval from the IBC office for new protocols, amendments, and continuing reviews. The PI or contact person was asked to complete the survey one time per invitation. The survey was sent eight times between January 12, 2022 and March 2, 2022 and received 53 responses (28% response rate).

Below is a summary of the results from IBC Approvals for spring 2022.
