The charts and tables below provide a snapshot of the responses to the HRPP Service Survey.

During this reporting period, 990 investigators received an invitation to complete a survey to assess their interaction and experience with the Human Subjects Office and Institutional Review Board (IRB). The invitation was sent to investigators who received approval from the IRB office for new protocols, amendments, and continuing reviews. The PI or contact person was asked to complete the survey one time per invitation. The survey was sent four times between October 12, 2022 and November 2, 2022 and received 122 responses (12% response rate).
