The charts and tables below provide a snapshot of the responses to the HSO Service Survey.

During this reporting period, investigators received an invitation to complete a survey to assess their interaction and experience with the Human Subjects Office and IRB. The invitation was sent to investigators who received approval from the IRB office for new protocols, amendments, and continuing reviews. The PI or contact person was asked to complete the survey one time per invitation.

Below is a summary of the results from IRB Approvals for spring 2017.
