

**OFFICE OF RESEARCH COMPLIANCE SERVICE SURVEY
Radiation Safety Committee (RSC)
FY 2016-2017**

The charts and tables below provide a snapshot of responses received from the Radiation Safety Operations and Committee Service Survey conducted in the Second Quarter of FY 2016-2017. During this period, investigators received an invitation to complete a short survey assessing their interactions and overall experience with the IRB process. The survey invitation was sent via email and included a hyperlink to a REDCap survey embedded within the message. *A total of 16 recipients were emailed, of whom 4 responded.* Below are summaries of the survey responses:

Question	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The IU staff supporting operational, safety, and inspection matters are responsive.	4 (100%)	-	-	-	-
The IU staff supporting operational, safety, and inspection matters provide clear and helpful feedback.	4 (100%)	-	-	-	-
The IU staff supporting operational, safety, and inspection matters provide timely feedback.	4 (100%)	-	-	-	-
